

Public Hearing: November 24, 2003

## **F A C T   S H E E T**

**TITLE:** Request for use of right-of-way for installation of a 3" conduit between TMI leased properties.

**SPONSOR:** Public Works and Utilities

**OPPONENTS:** Unknown

**OTHER DEPARTMENTS AFFECTED:**

**STAFF RECOMMENDATION:** Approval

**APPLICANT:** Technical Management, Inc.

**REASON FOR LEGISLATION:** To provide the authority to use the public right-of-way for installation of a 3" conduit for fiber optic cable and copper wire. This would provide telecommunication and network data connectivity between the TMI leased properties located at 421 South 9<sup>th</sup> Street and 830 "L" Street.

## **D I S C U S S I O N**

The Public Works and Utilities Department has received a request for a use of public right-of-way for the installation of a 3" conduit between 421 So. 9<sup>th</sup> Street and 830 "L" Streets. This request is being made by Technical Management, Inc. They currently have a use of right-of-way permit for a conduit which connects their offices at 815 "K" Street to the property at 421 So. 9<sup>th</sup> Street. This proposed request would extend this conduit to the property at 830 "L" Street. Public Works recommends that the proposed conduit be placed between the sidewalk and the building along the west side of So. 9<sup>th</sup> Street. The area between the sidewalk and the west curb line of So. 9<sup>th</sup> Street will be used for a proposed City owned fiber optic conduit.

The installation of this conduit will require directional boring under the intersection of So. 9<sup>th</sup> Street and Capitol Parkway West. This request complies with Chapter 14.53 of the Lincoln Municipal Code. The applicant will be required to contact Diggers Hotline of Nebraska prior to commencing any construction activity.

The Public Works and Utilities Department has no objection to the approval of this request. This use of public right-of-way will occupy approximately 400 linear feet.
